Dr. Mike Golsen

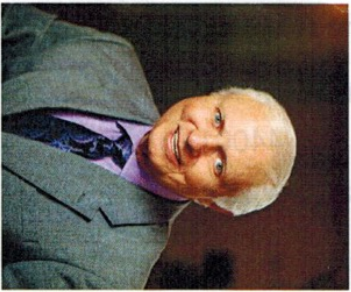

Botox and Dental Fillers

8 CEUS

Mike Golsen, DMD, MBA is national trainer for DentaSpa Seminars and Board member for the International Academy of Facial Aesthetics, teaching alumni nationwide how to successfully implement cosmetic and therapeutic uses of BOTOX® and dermal filler dental treatments. Seeing the tremendous growth of facial injectable treatments in dentistry, he went on to earn more than 100 CE credits on the subject and in 2012, officially implemented these treatments into his practice.

Dr. Golsen has been practicing dentistry for 30 years and was the founder and co-owner of Golsen Family Dentistry, a family and cosmetic dental practice in Alpharetta, GA. Golsen Family Dentistry was a benchmark practice built on quality patient care and customer service. While in private practice from 1986 to 2014, Dr. Golsen's focus was functional aesthetics/cosmetic dentistry coupled with facial pain and TMD management. He incorporated and blended services such as invisalign and facial aesthetics to add value to his practice and patients. Acquiring 'Premiere Preferred Provider' status with Invisalign in 2013, he earned over 230 hours in Invisalign and orthodontic continuing education.

In 2018 Dr. Golsen founded Atlanta Digital Coaching to teach dentists how to implement Dental Photography and Digital Technology into their dental practices. Dr. Golsen believes that value added services such as BOTOX® and dermal fillers are a game changer for the modern dental practice and that dentist, are positioned best to provide such services.
